丽江方氏家人

Lijiang Fang family

丽江方氏宗族世系图制作记

方氏，同丽江大研古城的大多人家一样，是从中原迁居到丽江。

原籍安徽安庆潜山县大石桥。族人方原仲随军入滇后，改军籍为民户。清嘉庆十一年初（1806年）居于昆明的方庭凤入赘丽江赵氏。后自立门户，至今（2026年）已有220年。方氏到丽江的历史还不那么长。到“宝”字派的后裔只有八代。

方宝贤，方氏六世二祖。就读西南联大留美预备班。1945年，品学兼优，赴美留学后，获博士学位，并成为美籍纳西族专门研究联合国项目的太阳能专家。对世界太阳能发展研究做出巨大的贡献。

公元2011年2月21日，宝贤在美国麻省贝尔蒙特寓所去世，享年89岁。

“我游历了许多地方，但我觉得唯有丽江才是我永恒的家……”他给家人留下这份感人的遗嘱。

宝贤，离开故乡75年，定居美国66年。一方水土养一方人。宝贤毕竟是地道的丽江纳西人。人之常情，在异地怀念亲人，在异国思念家乡，先后七次从美国回到祖国。回到了丽江。怀念亲人血脉之情，撰写制作宗族世系图。图文并茂。二哥留下的“U”盘中，加以梳理、补充。排版制作此集，留给下一代，也算是一点心意吧！

方宝初

Record of the Creation of the Fang Clan Genealogy Chart in Lijiang

Like most families in Dayan Ancient Town, Lijiang, the Fang family migrated from the Central Plains to Lijiang.

Originally from Dashiqiao, Qianshan County, Anqing, Anhui Province. Fang Yuanzhong, a member of the clan, followed the army to Yunnan and changed his registration from military to civilian. In early 1806 (the eleventh year of the Jiaqing reign of the Qing Dynasty), Fang Tingfeng, residing in Kunming, married into the Zhao family in Lijiang. Later, they established their own household, which has existed for 220 years as of 2026. The Fang family's history in Lijiang is relatively short; only eight generations of descendants have reached the "Bao" generation.

Fang Baoxian, the second ancestor of the sixth generation of the Fang family, studied in the preparatory program for studying in the United States at the Southwest Associated University. In 1945, he excelled academically and morally, went to the United States to study, earned a doctoral degree, and became a Nazi American expert specializing in solar energy for United Nations projects. He made significant contributions to the development and research of solar energy worldwide.

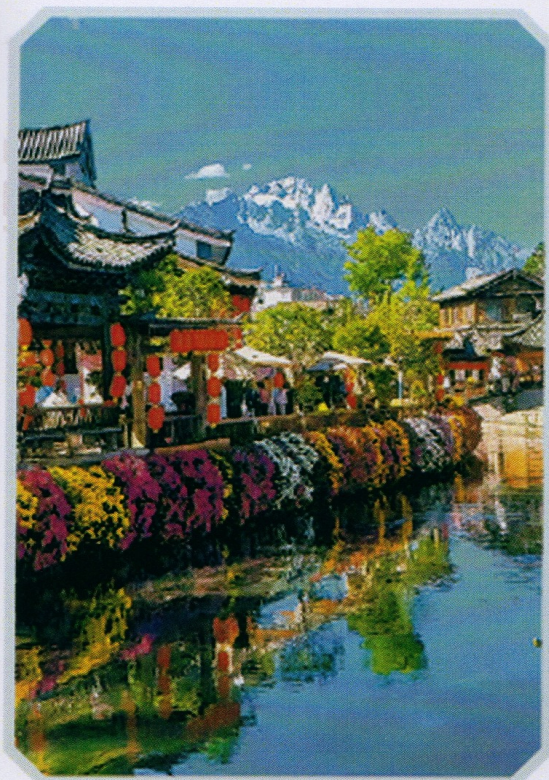

On February 21, 2011, Bao Xian passed away at his home in Belmont, Massachusetts, USA, at the age of 89.

"I have traveled to many places, but I feel that only Lijiang is my eternal home..." He left this touching will for his family.

Baoxian left his hometown 75 years ago and has lived in the United States for 66 years. The land shapes its people. Baoxian is, after all, a true Nazi from Lijiang. It's only natural to miss family when far from home and to yearn for one's hometown when abroad. He returned to his motherland seven times from the United States, finally returning to Lijiang. Cherishing the bonds of kinship, he compiled and created a family genealogy chart, richly illustrated. He further refined and supplemented it using a USB drive left by his second brother. This collection, formatted and produced, is a small token of his affection for the next generation.

Fang Baochu

Lijiang, January 2026

历史文化与建筑风格而闻名的丽江古城

Lijiang Old Town is famous for its history, culture and architectural style.
